

Intenso Power bank USB 20000MAH QC3.0 anthracite PD20000

Tootekood: **7332354** · Tootja: **Intenso** · EAN: **4034303029938** · Laos: 26 tk

Põhiandmed

Sisse/välja lüliti	Jah
Kaablid kaasas	USB Type-C
Tk pakendis	1 tk
Kasutusjuhend (käsiraamat)	Jah
Pakendi tüüp	Hanging box
USB-C portide arv	1

Kirjeldus

Equipped with Power Delivery and Quick Charge 3.0, the Powerbank PD20000 combines the highest speed charging features which are currently available in one product. Compatible devices can be charged up to 4x faster than with standard powerbanks. In addition, the digital percentage display provides precise information about the charging status of the powerbank whenever you want to know it. Experience optimal charging processes with the latest technology!

USB-C In / Out, USB-A Out and microUSB In offer first-class compatibility with all current smartphones, tablets and laptops. The included USB-C to USB-C cable can be directly used for quick charging via Power Delivery or Quick Charge.
