Toetatud paigaldus	Universaalne
Kinnituskomplekt	Jah

Kirjeldus

AXIS T91B47 Pole Mount is designed for both indoor and outdoor use. It is available in two versions with different lengths of marine-grade (SS316L) stainless steel straps. One version for poles with diameter between 50–150 mm (2–6 in), and one for poles with diameter between 100–410 mm (4–16 in) in diameter. Additionally, it can be used for attaching cameras to beams. When AXIS T91B47 is used for Axis fixed dome or fixed bullet cameras, no additional accessories such as pendant kits are required, ensuring a cost-efficient solution.
